VISIT ACHI613.org and click on The Klee Marketplace to find vendors who can fulfill your needs.

In addition, you may add a “KLEE” card to your mishloach manot. You may download the card by clicking [Klee card](#). The KLEE is a dish to be filled and refilled with Israeli products. The Klee should be proudly displayed in every home, classroom, campus dorm room, office and synagogue. Our goal is for families and institutions to make the “KLEE Commitment” and buy Israeli products on a regular basis. Thousands of school children across the U.S. are crafting the KLEE in schools, JCC’s and camps and introducing it in their homes and communities.

YOU can help counter the BDS movement! Through the KLEE and other ACHI projects we together, can change the meaning of BDS to BUY, DISPLAY and SUPPORT Israel. To order KLEE cards to put into your Israeli themed Mishloach Manot, contact us at ACHI613@yahoo.com.

Happy Planning! Happy Ordering! Happy Purim!
